(GE) food, to ask that the agency's current policies be changed, and to support all the points in docket #00P-12I1/CP1 All GE Foods should be labeled so I am 3 7 informed and have a choice. GE Foods should not be assumed to be "generally recognized as safe" and should have mandatory pre-market safety testing There should be a moratorium on GE Foods until long-term studies show they are safe for human health and the environment.
